

REMARKS:

In the Notice of Allowance mailed on June 27, 2008, the Examiner allowed all pending claims. The Examiner objected to the specification as failing to provide proper antecedent basis for the term “computer-readable medium” appearing in the claims. In response, applicants have amended the specification herein merely to clarify the originally filed specification. No new matter has been added by this amendment. Accordingly, Applicants respectfully request that this Amendment be entered under 37 CFR §1.312 and that the objection to the specification be withdrawn.

Applicants respectfully invite the Examiner to contact Applicants’ representative at the number provided below if the Examiner would like to discuss further.

Respectfully Submitted,
VENKATESH R. IYER, ET AL.
